

Dear Members

Hope you are all well, and this month brings you much cheer and happiness!

Our last study workshop with presentations by Hvovi, Dr Dushyant and Dr Sushma was well received. Our aim is to have a group discussion on a specific topic and voice difficulties/challenges we face.

We are planning to have a workshop on 16th January 2016 focussing on children and challenges faced with EMDR. Case discussions and an interactive session will be the focal point

The details are:

Topics: Children and EMDR. Challenges faced and the way forward

Speakers: Ms. Swetha Veeraraghavan , Ms. Karishma Shah Savla and Dr Sharmila Banwat

Venue: Rajawadi hospital, Ghatkopar E, Mumbai

Time: 3.30 - 5.30 pm

Date: 16/1/16

Please call Ms Jigna on 8879746976 for registration (registration in free)
